

1954-41

Washington, D.C. 4-5 I-408

Will you please send me 160 copies of "Gardening For Our Lady." I would like to give a copy to each member of our Cyo Group to interest them in the project.

Temperenceville, O. 4-21 O-413

Our project for Marian Year is to make a picture of a garden with Our Lady at the gate with the garden before her filled with the flowers having the name of Our Lady. We are anxious to get pictures of flowers that have Our Lady's name .... Sincerely yours with Our Lady.

Greenbelt, Md. 4-29 I-422

I am writing on behalf of our Ladies' Committee of St. --- Sodality. We wish to pass the information on to our Sodality members. .... Yours in Our Lady.

Shamokin, Pa. 5-1 I-424

I would like to plant a Mary's Garden and wish to have mostly blue flowers.

Delawanna, NJ 5-2 I-429

I do hope the flowers are sweet smelling.

Appleton, Wis. 4-30

Could you send me two sets of literature concerning the background of Mary's Gardens. I am very much interested in helping to promote this project. God bless you.

Clear Lake, Iowa 4-12 I-441

I would like this information in time for Mother's Day.

Madison, NJ 5-3 I-442

Please send me a catalogue for the "Mary Garden." We are moving to a new home and I should so like to build our new yard and garden around such a focal point.

Belmar, NJ 5-2 I-441

I need plants, etc. that will grow within one quarter block from the ocean, as they must be able to stand up against salt air and storms.

Phila., Pa. 5-3 I-457

We thought we would like an aluminum shrine and wondered if you would have any information for the construction costs and where to have it done.

Arlington, NJ 5-2 I-465

Sometime ago a Father Lampheer of Philadelphia, Pa. who is a missionary priest to the deaf mentioned to me about someone in Phila. specializing in flowers named after Mary. I gained fuller details

from the pages of the Advocate, Newark's official Catholic weekly paper. Haste on your part will be appreciated so I can get started.

Mont Clare, NJ 5-3 I-464

Would you please send me a catalogue for a Mary Garden --- especially for the rocks which I have built.

Lake Hiawatha, NJ 5-3 I-468

I read the article concerning this wonderful idea in the Advocate.

East Orange, NJ 5-2 I-469

I am interested in planning not only a Mary's Garden but one to the Sacred Heart (all red). There are two flower circles 5 feet in diameter I would like to plant.

Paoli, Pa. 5-3 I-471

I am very interested in Mary's Gardens. I am building an outdoor shrine to Our Lady and would like to know if you could tell me about it --- as to where I could purchase a statue and perhaps some ideas of construction. Some of my friends have told me about your excellent literature. It would be a great pleasure to receive some. I am anxious to get my shrine completed as early in May as possible.

Union, NJ 5-4 I-473

I have quite a few friends interested in having some of the flowers mentioned in the Advocate.

KennettSquare, Pa. 5-4 I-476

We are interested in Mary's Gardens. We are starting one in school and some people want to start them at home.

Newark, NJ 5 4 I 502

I am a leader of a Girl Scout Troop in Newark, NJ and would like to have my girls plant a Mary's Garden.

Momence, Ill 5-3 I-514

I am working on a class project in biology for Mary's Garden.

Portsmouth, Ohio 5-6 I-520

Would like more information about "Mary Garden" you mention in the Third Order Intermost. We have an outdoor shrine for the past 4 years, didn't realize you should plant it with "Mary flowers" so would like to know more about them. We do have a beautiful bleeding heart right in front of the shrine and have just planted marigolds, understand these are a "Mary flower."

Bayville, NJ 5-8 I-525

Having read about the wonderful idea of a "Mary Garden" in the Advocate I wish to have any information sent to me. I live where there is mostly sand and wish plants that will thrive in such.

1954 - 43

Hyattsville, Md. 5-10 I-533

I am in the 4th grade of --- School, Washington, D.C. We are interested in your Mary's Gardens idea and movement as a project for our school. Please rush all information.

Springfield, Mass. 5-9 I-550

Your address was given to me by a friend from Cape Cod. I am interested in starting a garden.

St. Petersburg, Fla. 5-10 I-551

I am trying to get a plastic outdoor statue of Our Lady. Would you know where I would be able to get one?

Rochelle Park, NJ 5-10 I-553

I think this is a wonderful project, particularly for the Marian year.

Somerville, Mass. 5-15 I-585

I would like some information on a garden project for Our Lady. We are a Girl Scout troop and are interested in doing something for the Marian year.

Arlington, NJ 5-16 I-587

This sounds like a wonderful thing, the Mary Gardens, not only for this year but for every year. I am very enthused about it and if such a garden works out well for me, I will encourage my friends to do likewise. Please send me as much information as you have.

Mishwaka, Ind. 5-20 I-605

Would you be pleased to furnish information regarding Mary Gardens. The information supplied mostly concerns flowers rather than the structure, would it not?

Cincinnati, Ohio 5-28 I-623

I wish to commend your company for what it is doing so beautifully for the spread of Marian devotions during this Marian year.

Newark, NJ 6-1 I-628

The booklet, Mary Garden Idea and Movement, interest me, for I am a Girl Scout leader and we intend to work on nature next year and this will help spiritualize the project.

East Orange, NJ 6-1 I-629

I have had a shrine for the past 12 years and have had quite some difficulty finding suitable plantings for it. I hope the catalogue suggests plants, etc. for shade, cool damp spots as this is my trouble.

Akron, Ohio 6-7 I-641

Hearing about Our Lady's Gardens from friends,

1954-44

Baltimore, Md. 6-12 I 649

I would you to send me one of your catalogues as I love to work in a garden and we have a statue of the Virgin Mary in our garden. We have a procession in her honor on the first Sunday of May every year.

Chicago, Ill. 6-22 I 657

Will you please send me information on the project called Mary's Garden which I believe you have sponsored? I have just heard of it --- and late though it is --- I am most interested.

Alton, Ont. 6-12 I 660

Hope to learn a little of her flowers even if I don't get any planted.

Belen, N.Mex. 7-2 I 669

Our Lady of Belen Fiesta is the 15th of August so must get price list and order in so I can have it for that date.

Cleveland, Ohio 7-7 I 670

In our "The Catholic Universe Bulletin" I read about your promotion of Mary's Gardens. My husband has just finished a backyard shrine and had in mind a circular garden inasmuch as the base is circular. .... As this is already July is it too late to plant seeds?

New Orleans, La. 7-6 I 671

I have a Little Flower Garden of my own and I would to hear all about Mary's flowers and how to plant and when.

Brooklyn, NY 7-11 I 675

Can I frame the old Garden Prayer? Or it just a small prayer? ... Is there such a thing as a rosary garden? It sounds like a good idea too. Perhaps I can interest my relatives, friends and neighbors in doing a Mary Garden also. Truly, we need more faith today in these days of tension, Communism and laxity in religious and moral principles.

Huron, Ohio 7-15 I 678

We of the ---- Council of the Knights of Columbus are interested in planning a garden for Mary as a community project. Sandusky has many beautiful parks but it is our hope to put meaning to the beautiful flowers .... We would like very much to pattern it after the Garden of Our Lady at St. Joseph's Church, Woods Hole, Mass.

New Madrid, Mo. 7-24 I 685

Please send me literature on "Gardens - Shrines" to be used in our Sodality. I am the Religious Activity Chairman.

Nutlry, NJ 8-3 I 686

I would like to start a Mary Garden this fall.

West Springfield, Mass 8-2 I 687

West Springfield, Mass '8-2 I 687

After reading that fine article in your enterprise in the Catholic Digest, March 1953, I would like to receive your price list, the booklet and old garden prayer so my neighbors as well as myself may order some seeds. I suppose we have to wait until Spring to plant them but in the meantime we can study the booklet and make our plans.

Adams, Minn. 8-4 I 688

At a forty hour layman's retreat at the --- Seminary the past weekend and during a period of silent relaxation I happened to read in one of the Catholic magazines the article on Mary's Gardens. This was of very special interest to me having followed the landscape gardening and greenhouse and forest field for a number of years before becoming engaged in my present line of endeavor. I am very much interested in propagating perennials this summer for use in our garden and borders and also to give to the neighbors. I am most anxious to receive your catalogue.
