The tuition and fee charges of the University are set at the minimum permissible for financially responsible operation, and in general these charges are less than the actual costs incurred. Gifts and grants received through the generosity of industry, friends, and alumni help to bridge the difference between income and costs. The trustees of the University reserve the right to change the regulations concerning the adjustment of tuition and fees at any time the need arises and to make whatever changes in the curricula they may deem advisable.

Tuition, fees, room and board may be paid in full before the term begins or, in the fall and winter terms, in five monthly payments with a 1% per month finance charge assessed on the ending balance. A one-time signed open credit agreement is required unless full payment is made initially. Late registration fees are assessed when scheduling and registration are completed after the start of the term.

All checks should be made payable to the UNIVERSITY OF DAYTON. The student's name and student identification number should be shown on the face of each check to insure proper credit.

An assessment of \$25.00 + 1% of the check amount will be made for payment of tuition and fees by a bad check or for any other returned check from any area at the University. This assessment is made each time a check is dishonored.

Registration for a new term, transcripts of credit, and honors of graduation may be permitted only for students whose financial University records are clear.

Expenses

The University of Dayton operates on a "split third-term calendar." Tuition and fees for full-time students during the 2008-09 academic year (fall and winter terms) will total about \$27,330.00 (includes the Basic University Fee) plus laboratory and/or special course fees where applicable. Room and board on campus for this period would be approximately \$8,180.00, based on double room occupancy, any 12 meals a week plan, and a Flyer Express account for weekends. Books and supplies will cost approximately \$500.00 each term. In addition, the student will need funds to satisfy personal expenses and extra meals on the weekends.

Expenses for commuting students will include tuition, fees, supplies, and miscellaneous living costs. Transportation to and from the University as well as lunches should be considered in the budget.

Each unmarried first-year and second-year student under 21 years of age, not living at home in the Dayton area with his/her parents or legal guardian, is required to live in University housing.

Each student applying for a University residence facility must complete an online residential living contract with Residential Services. The contract covers both the fall and winter terms of the academic year. Once a contract is signed, it may not be cancelled without incurring substantial cost as long as the student is enrolled at the University. The online residential contract is located on our website at <http://housing.udayton.edu>

Those students dropping all courses and checking out of housing during the first four weeks of school will be authorized refunds as stated under "Cancellations and Cancellation Fee."

All students living in housing facilities are required to observe all University regulations and specific regulations of each facility. Residents will be held responsible for any damages to the residential structure that are due to their own negligence, and will be billed for those damages at the time of discovery. Students will share responsibility with other residents of the structure for unidentified common area damages. Common area damage charges will be billed monthly when applicable. The same conditions shall also hold for any loss or damage to the University grounds, fixtures, furnishings, or other property provided by the University for use by the students.

Students may reside in their rooms, suites, apartments, or houses without additional charge during Thanksgiving and Easter vacations. All University residences are closed during Christmas vacation period and during the Spring-term break.

The University of Dayton realizes that most students need assistance financing their college education. Financial aid is available in the form of nonrepayable grants, student loans, and part-time employment. Parent loans and monthly payment plans are also available.

To assure an equitable distribution of financial aid resources, students applying for assistance must complete the Free Application for Federal Student Aid (FAFSA). The FAFSA is used to determine the family's ability to pay for the student's education. The family's ability to pay, or expected family contribution (EFC), is calculated after careful review of income, assets, and other family information.

Eligibility for need-based federal, state, and university-sponsored aid is determined by comparing the total cost of attending UD with a family's ability to cover college expenses. Financial aid is considered supplemental to the student's and family's efforts to meet the cost of attendance.

The FAFSA should be submitted via the Internet at <http://www.fafsa.ed.gov> to enable the quickest processing time. We recommend that students submit the FAFSA to the federal processor by March 1 to ensure that the University of Dayton receives the results by the priority deadline date of May 1. Students must reapply for financial aid each year and list UD's federal code (003127) on each application. In order to sign the FAFSA online, a dependent student and at least one of his or her parents must possess a federal PIN number. To apply for a PIN the appropriate parties should visit <http://www.pin.ed.gov>. Students are encouraged to call our office or meet with a financial aid counselor if they have questions regarding financial aid.

Loans

Search Academic Information General Information

Federal Perkins Loans

The Federal Perkins Loan is a federally-funded student loan, but individual schools determine eligibility requirements. Priority is given to dependent undergraduate students who demonstrate high financial need (as determined by the Free Application for Federal Student-Aid). Repayment begins nine (9) months after the student graduates, leaves school, or drops below half-time enrollment status. This loan carries a fixed interest rate of 5.00%, but interest will not accrue until the repayment cycle begins. Repayment can be spread over a ten-year period.

Federal Stafford Loans

Federal Stafford Loans (formerly Guaranteed Student Loans) are made available to all students who file the Free Application for Federal Student Aid (FAFSA). The maximum loan is \$3,500 per year for the first year, \$4,500 for the second year, and \$5,500 per year for the junior and senior years. Repayment begins six (6) months after the student graduates, leaves school, or drops below half-time enrollment status. Repayment can be spread over a ten-year period. Based on the FAFSA, the student will qualify for an Unsubsidized Stafford loan, Subsidized Stafford loan, or a combination of both. The Unsubsidized Stafford loan has a fixed interest rate of 6.8% and the Subsidized Stafford loan has a fixed interest rate of 6.0%.

Federal Parent Loan for Undergraduate Students

The Federal Parent Loan for Undergraduate Students (PLUS) provides a source of financing to all families regardless of the family income. All credit-worthy parents of undergraduate students may borrow up to the cost of education minus financial aid per academic year for each student attending an accredited college. Repayment begins within sixty days after the loan is fully disbursed. During the repayment period a fixed interest rate of 8.5% is charged. Repayment can be spread over a ten-year period.

Private Alternative Educational Loans

Private Alternative Educational Loans are also available to help meet college expenses. The University of Dayton works closely with several lenders and their private loan programs, however students are able to borrow from the loan institution of their choice. These private loan programs offer competitive interest rates, flexible repayment schedules, and various co-signer requirements. If you are interested in a private alternative educational loan, please contact the Office of Scholarships and Financial Aid or visit our website at www.finaid.udayton.edu.
