      iii. 42 people who waived coverage in 2016 enrolled in CDHP for 2017
      iv. Met expected targets for numbers of people paying the spousal surcharge and smoking surcharge
      v. There were a few process problems
         1. Some people expected immediate confirmation of their elections—we will receive email confirmations for 2018
         2. Some people mistook 2016 information for 2017 and ended up not enrolling. Email reminders were sent.
         3. This was a positive election, meaning that everyone had to either make an election or waive coverage in the system. At close, approximately 160 people who had previously waived coverage had not made an election or waived coverage for 2017. Approximately 50 people who had elected coverage in 2016 had not made an election or waived for 2017. HR defaulted to 2016 election and gave employee option to change.
      vi. A brief Q&A followed.

7. Committee Reports
   a. APC
      i. Post-tenure review process is being discussed. Is it fully implemented across campus? How is it going? Members of APC will meet with Chairs Collaborative soon to discuss.
   b. FAC
      i. The so-called “100% rule” is being reviewed. There is no written policy and different units/departments seem to be implementing it differently. Committee is currently reviewing available information.
   c. SAPC
      i. The committee is working on a draft report on diversity and inclusion activities on campus with the goal to see what the Academic Senate can do.

Respectfully submitted,
