Ruskin Elementary School
As members of the Social Justice Service Club our mission is to support the Social Justice LLC and to advance the mission of the cause of literacy throughout the Greater Miami Valley Region. To that end, we are also charged with fulfilling a voluntary service learning commitment for our organization. This year in order to fulfill our obligation, we worked with the "Miracle Makers" After School Program at Ruskin Elementary School. As a service club co-hort, we were able to complete 150 hours of community service in the fall semester by mentoring the students, helping them with their homework, and engaging them in group and one-on-one recreational games.
